Developed by two world-class Bible scholars and the creator of The Bible in 90 Days curriculum, this unique, easy-to-use reference guide gives you clear, crisp insights into the Bible book by book. From Genesis to Revelation, each book of the Bible has its key details laid out for you clearly and engagingly in a colorful two-page spread that includes * background information * timelines * important biblical characters Striking a balance between too little and too much information---between the brief introductions provided in a Bible and the potentially overwhelming detail of a standard reference handbook--this well-designed, extremely helpful volume condenses the most important information in a highly visual, easy-to-understand format. Ideal for use as a companion to The Bible in 90 Days curriculum, The Essential Bible Companion is also a valuable resource for any Bible study. However you use it, this richly informative volume will assist you on your journey toward a well-grounded biblical faith.
