Reviews

This is actually the greatest publication i have go through right up until now. I really could comprehended every little thing using this composed e book. I realized this book from my i and dad advised this ebook to learn.

(Jimmie Schmidt I)

BODY/WORK: CAREERS IN MASSAGE THERAPY

Soulstice Media, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Whether you are a current massage therapy student, a seasoned practitioner, or an individual contemplating a career change, Body/Work: Careers in Massage Therapy will provide an expansive view into the world of a professional massage therapist. In this insightful, remarkably readable guide you will learn how to determine if massage therapy is the right career for you, explore your education and training options, navigate the crucial time between graduating from massage school and secure your first job. You will also gain concise, real-world advice on how to market, promote and advertise your practice in a way that is both effective and cost-effective, establish a thriving, prosperous private practice, and acquire business basics exclusively tailored to the massage profession. The author - a sought-after professional massage therapist and bodyworker in the San Francisco Bay Area - will help you deal confidently with special cases, client challenges and develop the personal and professional skills that will take your practice from acceptable to exceptional. Body/Work: Careers in Massage Therapy is a valuable companion to your massage school education, a practical blueprint for starting out in the profession and a trusted resource to assist you as you grow in your practice. Starting your career as a massage therapist just got easier! If there had been such a valuable handbook when I was starting out 17 years ago, I would have saved precious time and gained serious advantage over my competition. Kayse Gehret's informal, experienced voice is a great way to get across the information you need to be better in your new work. If this handy book isn't part of every beginning therapist's schoolbag, then those who do...
