Mandrake. Paperback. Book Condition: new. BRAND NEW, Supernatural Assault in Ancient Egypt: Seth, Evil Sleep & the Egyptian Vampire (2nd Revised edition), Mogg Morgan, You are in your bed. It is dark, you hear footsteps coming up the stairs and into your room. There is someone there - a presence. They lie on you or beside you, gripping you tightly, crushing you into the bed. You can't move. There may be a sound, a grunt or a strange smell. Time passes, you are paralysed with fear. Eventually the entity changes, expanding or contracting, moving away from you, sinking to the floor. With a great effort of will you manage to move the tip of your finger, then the hand until movement returns to your whole body and the experience ends. You have been visited by the old 'hag'. Dreams, the real theatre or perhaps battlefield of magick, influenced by cosmic tides that ebb and flow through us as they did the ancient Egyptians. Over the millennia we have lost contact with these tides, and stand alienated from Nature. To restore that first 'Eden' we must undertake an exercise in the archaeology of knowledge. We must reconstruct the ancient Egyptian Wheel of the Year, revealing archaic, pre-dynastic Mysteries, the Lunar Mysteries of Horus and Seth.
