Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.
(Dr. Reta Murphy)

YOUR LEGACY OF LOVE: REALIZE THE GIFT IN GOODBYE

Live Consciously Pub, United States, 2009. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. Grief expert, Gemini Adams, wrote this Mom s Choice Gold Award Winning book, Your Legacy of Love: Realize the Gift in Goodbye to help others understand that writing a Will simply isn t enough. After losing her Mom to cancer, Gemini quickly discovered that an inheritance of money and material possessions doesn t give surviving family the ongoing support or continued connection they desire. Wondering if her need for a more loving legacy was shared, she started an online survey asking: What would you prefer if one of your parents died: to inherit their wealth or a letter saying how much they loved you? Over 90 expressed a wish for the loving letter. In this heartfelt and inspirational book, Gemini explains that our real wealth lies not in our Financial Assets, but our Emotional Assets: the stories, lessons, values, wisdom image, voice, laughter and love that makes us who we are. And how this purposeful activity, is not, as some might expect, a morbid task, but one that can bring incredible insight, peace of mind, and healing, especially for those dealing with aging parents, a terminal illness or loss. By capturing and sharing our Emotional Assets in a Legacy of Love, we can leave our children, partners, and grandchildren a precious parting gift, a timeless memento that will surely be treasured forever. Readers will also discover how to: - Write loving letters to gift as future surprises. - Encourage grief recovery for surviving family. - Provide them with ongoing emotional support. - Minimize effects of grief and bereavement. - Guarantee the preservation of special memories. - Capture and record their life story. - Limit stress surrounding end-of-life situations. - Achieve...
