Reviews

Very beneficial to any or all group of folks. I was able to comprehend everything using this composed ebook. I am pleased to inform you that here is the finest publication i have study inside my individual daily life and might be the very best pdf for actually.

(Brielle Hilpert)

THE RULE OF THOUGHTS (THE MORTALITY DOCTRINE, BOOK TWO)

Ember, United States, 2016. Paperback. Book Condition: New. Reprint. 208 x 137 mm. Language: English . Brand New Book. Reality just became a virtual nightmare in The Rule of Thoughts from MAZE RUNNER author James Dashner, the sequel to The Eye of Minds and the second book in the edge-of-your-seat MORTALITY DOCTRINE series. Michael thought he understood the VirtNet, but the truth he discovered is more terrifying than anyone at VirtNet Security could have anticipated. The cyber terrorist Kaine isn't human. It's a Tangent, a computer program that has become sentient. And Michael just completed the first step in turning Kaine's master plan, the Mortality Doctrine, into a reality. The Mortality Doctrine will populate Earth entirely with human bodies harboring Tangent minds. The VNS would like to pretend the world is perfectly safe, but Michael and his friends know that the takeover has already begun. And if they don't stop Kaine soon, it will be game over for humanity. From the author who brought you the #1 New York Times bestselling MAZE RUNNER series and two #1 movies The Maze Runner and The Scorch Trials comes an electrifying adventure that takes you into a world of hyperadvanced technology, cyber terrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Praise for the Mortality Doctrine Series: Dashner takes full advantage of the Matrix -esque potential for asking what is real. Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner's hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author. A brilliant, visceral, gamified mash-up of The Matrix and Inception, guaranteed to thrill even the non-gaming crowd. Christian Science Monitor From the Hardcover edition.
