Press 333, United States, 2011. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.A new dynamic has been discovered concerning the relationship between God and the universe. You ll find it in the first verse essay of SOUNDINGS, beginning with a statement, followed by two questions: God, who is Ultimate Reality and Truth, would not bring into existence anything less than real or true, it would seem. With this in mind, could the newly created universe- the early space-time continuum- have been anything other than it was? Could the primordial light and elements, with their forces of electromagnetism and gravity, have been anything other than they were? Thus begins a spiritual quest, ranging from the dawn of time to the summit of contemporary civilization. Embark on a journey with Frank L. Jordan III as he unravels some of the oldest known mysteries pertaining to God and the universe-mysteries involving the problem of evil, and of God s role in connection with death, accidents, natural disasters, and disease. Equipped with a new philosophy called derivism*, Jordan methodically chips away at the barriers between us and God, while pointing to a true avenue of healing . an exalted way. What People Are Saying About SOUNDINGS: Frank Jordan s profound struggle to understand God and the world and the reality of evil have brought him to a path very like that of process theology. I congratulate him for finding it on his own . What gives poignancy and power to Jordan s thinking is the way it has come out of his personal suffering and joy. Dr. John B. Cobb, Jr., process theologian and co-director of the Center for Process Studies I read it all through in one night. What a strong and...
