Harper Design, United States, 2016. Hardback. Book Condition: New. 279 x 239 mm. Language: English . Brand New Book. Throughout the making of the eight Harry Potter movies, designers and craftspeople were tasked with creating fabulous chocolate-fantasy feasts, flying brooms, enchanted maps, and much more, in addition to numerous magical items necessary in a wizard's everyday life for example, newspapers with moving photos, vicious textbooks, and Howlers. Harry Potter: The Artifact Vault chronicles the work of the graphics department in creating vibrant and imaginative labels for potions bottles, brooms, and candy; the creation of Quidditch Quaffles, Bludgers, and Golden Snitches, lovingly crafted by the prop making team; and the stunning inventiveness used by the entire crew to create a rich, bewitched filmic universe. Accompanying the captivating text are never-before-seen art and design concepts, unit photography, and other filmmaking secrets from the Warner Bros. archive. This striking full-color compendium includes two exclusive bonus inserts Gilderoy Lockhart's classroom questionnaire and a Weasleys Wizard Wheezes catalog as well as many more surprises.
