

## Crimes of the Century: Bank Raids

Filesize: 5.05 MB

### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Haynes Publishing Group. Paperback. Book Condition: new. BRAND NEW, Crimes of the Century: Bank Raids, Claire Welch, Ian Welch, Does crime pay? Well not according to a survey in 2012 carried out by university economists using data held by the British Bankers' Association that estimates the average haul from a bank raid is roughly GBP20K. Raiders can expect to increase that amount if they carry a gun and also reap more rewards by having a larger gang, however, the chances of being caught will increase significantly with each raid carried out. Bank raids are fascinating. Who raids banks, and why? What do they do with the money if they escape with the loot, and what happens to the third of raiders who fail in their missions? This book takes a look at a number of famous band raids from the past 100 years, and discovers the changes that technology has brought about for the modern-day bank robber as well as delving into the history of bank raids. From the first bank raid committed in 1865 to the first use of a getaway car in 1911 Bank Raids gives a fascinating insight into the masterminds behind some of the greatest robberies ever committed.
