Y, 1852: To Which Are Appended a Portion of His Addresses, Letters, Congressional Reports, and Speeches In presenting to the public the Life, Character, and Opinions of Zadock Pratt, we feel that we shall have a cordial welcome from the practical tanner, farmer, banker and legislator, - to say nothing of the man who honors the noble friend and generous citizen. But few men have been more blessed in health, mind and estate, than Colonel Pratt, of Prattsville. His labors have been directed with skill, and their fruits have been those of affluence and practical usefulness. What others have only hoped for he has accomplished; and what most men have promised he has done. He was the builder of his own model, as well as the maker of his own fortune. His examples of success, of private virtue, public spirit, cheerful temper, and philanthropic zeal, are fraught with too many important considerations to be either neglected or concealed. They belong to the world. About the Publisher Forgotten Books...
