New Generation Publishing. Paperback. Book Condition: New. Paperback. 86 pages. Dimensions: 7.8in. x 4.9in. x 0.4in. Why Is a painful recount of an intriguing web of despair, sex and an unreachable emotion for each of the main characters involved in the story; love. It is a fast paced tale of how one mans crippling injuries, caused by an unprovoked and vicious attack, ruins the lives of all around him including Terry Meadows, the nineteen year old boy who fell in love with his daughter Laura twenty-seven years before the opening of this novel. The perverse, interconnecting matrix in which Francis Hills, Lauras father, lives, destroys and distorts his daughters image of life beyond repair. It is a sad tragedy, with an unexpected ending. Danny Kemp draws his knowledge from forty-seven years of working with the public. First as a London police cadet then as a fully fledged police officer serving in Greenwich. He also owned a minicab business in south east London and was a tenant in three public houses in Kent where, whilst in one, he was arrested for attempted murder after an altercation with some previous customer led to a series of harassing actions against him, his wife and neighbours. He was given an absolute discharge when he appeared at court! He is now a licensed London taxi driver. He has worked on a thirteen week American comedy radio show, broadcast at primetime in both America and here in the United Kingdom. He now writes regular short stories, poems and articles on various themes for Female First, the UKs most popular online celebrity gossip and lifestyle magazine.
