LETTERS TO THE RIVER: A GUIDE TO A DREAM WORTH LIVING

Createspace, United States, 2013. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Letters to the River places the struggles and crises we currently face -- personal, political, moral, ecological and spiritual -- within the context of a mythic and heroic journey. In doing so, it forms a bridge between the left side and the right -- the practical, daily life we can neither ignore or avoid, and the magical, shimmering world reported by sages and shamans throughout the millennia. Letters to the River points the way to a path that's deep and soulful. Dancing between the visible and invisible worlds, this book expands our perceptions, tells the truth of who we are, and shows us the beauty of our inner and outer landscapes. Inspiring us to live in harmony with nature and all of life, reading Letters to the River is like being on a vision quest.
