Brand New Book ***** Print on Demand *****.College students and recent grads: Want to nail the interview and get the job of your dreams? Read on. What you will learn in Private Notes of a Headhunter is as important as any course you ve taken or will ever take: insider tips, tools and techniques tailored expressly to your needs . information that will help give you an edge in one of the most challenging job search environments in many years. Explore the foremost fears college students have about job interviewing, and learn how to overcome them (read the questions and concerns of your peers in their own words in the Student Question Forum section). Learn what employers most want in a job seeker and how to convince them you have it. Learn how to avoid the most common mistakes candidates make in the job interview. Get a look inside the job interviewer s head: what turns them on, what turns them off, and what you can do about it (check out the Job Fair Survey section to read what actual interviewers and company recruiters have to say). Develop a personal action plan for successful job interviews that fits you and the job you want. Increase your chances of beating your competition by using proven interviewing techniques unknown to most job seekers. Ken Heinzel provides an excellent look at many of the most important aspects of the job search, from the very basics to using sophisticated skills to advance one s career. I wish I had this book years back, as it would have been a great resource when I was a job developer, placement manager, workforce planning and recruitment manager, and of course...
