Senator D. What if they all have an opportunity to pay no ORGAN taxes through whatever windows or cracks or crevices exist in the Tax Code That would be a real serious problem, wouldnt it Ms. O. It would, and we absolutely need to address that. LSON ORGAN Senator D. And when you indicate that a response is nec-essary to inversions, describe what you think the response ought to be. I get the feeling that you think the response ought to be that we should reduce taxes on the corporations who are wanting to re-nounce their citizenship. Ms. O. No. Actually, what the Treasury outlined was a four-LSON prong approach to dealing with inversions. The first is a legislative change to reduce the opportunities for removing income from the U. S....
