THE REVENANT

Ember, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Gensler makes a solid debut with an eerie and suspenseful work of historical fiction in which everyone is a murder suspect. In the summer of 1896, 17-year-old Willie heads west from Tennessee when she discovers that her mother wants her to return home from school to a life of household drudgery. Willie steals her classmate's identity and accepts a position as an English teacher at the Cherokee Female Seminary in "Indian Territory," teaching girls no younger than she. The school is the opposite of what she expects: elite, challenging, and allegedly haunted by the spirit of a girl who drowned one year earlier. Willie immediately has her hands full dealing with the snobbish Bell cousins and an unforgiving principal, hiding her past (and her crush on a student), and deciphering the ghost's increasingly violent actions. The layers of detail address the complex social structure of the period, and Gensler's characters and dialogue are believably crafted. Readers should be drawn in by the mystery and moved by Willie's struggles to fit in and negotiate her independence." - Publishers Weekly "When Willie is summoned from boarding school to help at home in 1896, she instead runs away to Indian Territory, assuming the identity and teaching post of a girl who is about to reject the job. Though Willie has not completed her own schooling, she knows that her experience will be ample for teaching at the Cherokee Female Seminary. But she finds that the students are much more cultured and educated than she expected, frequently outpacing her both socially and intellectually and challenging her teaching and interpersonal skills. Also testing her resolve are mysterious noises and sights, purportedly caused by the ghost of a lovelorn student..."
