Language and the Pursuit of Happiness: A New Foundation for Designing Your Life, Your Relationships Your Results

By Chalmers Brothers

New Possibilities Press. Paperback. Book Condition: New. Paperback. 356 pages. What if one of the most powerful avenues to achieving a balance of peacefulness and productivity - defined here as happiness - at home and at work, is so close that you may have missed it What if by taking a new look here you can open truly unprecedented possibilities for yourself and your effectiveness, the quality of your relationships, as well as your emotional and physical well-being And what if an incredible variety of your experiences and results personally and professionally have for years been connected to this, whether youve been aware of it or not This is the promise of this compelling new book by veteran consultant, certified personal coach and seminar leader Chalmers Brothers: A new way of understanding language provides a powerful new foundation and a new set of tools for literally designing your life, at home and at work and everywhere in between. This is especially relevant for anyone seeking to break free from repetitive and ineffective patterns, actions and outcomes. Its immediately valuable for everyone for whom building and maintaining mutually-beneficial relationships is important. And its particularly useful for leaders, managers, administrators and anyone...
