Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Annotated. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Psmith, Journalist is a novel by P.G. Wodehouse, first released in the United Kingdom as a serial in The Captain magazine between October 1909 and February 1910, and published in book form in the UK on 29 September 1915, by Adam Charles Black, London, and, from imported sheets, by Macmillan, New York, later that year. It continues the adventures of the silver-tongued Psmith, one of Wodehouse's best loved characters, and his friend Mike Jackson. The story begins with Psmith accompanying his fellow Cambridge student Mike to New York on a cricketing tour. Through high spirits and force of personality, Psmith takes charge of a minor periodical, and becomes imbroiled in a scandal involving slum landlords, boxing and gangsters the story displays a strong social conscience, rare in Wodehouse's generally light-hearted works.
