Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2004 in the subject Sociology - Political Sociology, Majorities, Minorities, grade: B, University of Dalarna (Institute for Sociology), course: Why Revolt, 30 entries in the bibliography, language: English, comment: Bewertung nach Credit System: B entspricht 2 (Skala A bis F entspricht 1 bis 6) , abstract: As a prototypical image of social movements, we might be reminded of strong forms of protest - 'we tend to associate collective mobilization with speeches, raised fists, joyous or angry voices, banners and flags flapping in the wind. We expect moving gestures'. Assuming this perspective, there is little protest in the Czech Republic or the New Länder in Germany today. This observation applies above all to the women's movement which is characterized by 'institutionalisation without mobilization'. In both countries, the women's movement had its peak between 1989 and approximately 1993, but seems to suffer from a 'mobilization fatigue' now. So can we still speak of social movements, if there is no mobilization In order to answer this question we have to take a closer look at the specific characteristics of social movements. An alternative view suggests that the basic repertoire of protest has become modified in the second part of this century. In liberal democratic states the initially powerless activists are no longer confined to private or public spaces - a partial transformation and shift of collective protest has taken place. This perspective completely reverses the picture of lethargic protest. Endeavouring to consolidate and to professionalize themselves, activists learn to use resources and modern technology to communicate with each other and the public and also how to survive in new party democracies. Among their other main...
