It illustrates why companies need to adapt their business strategies to the aging workforce and how they can utilize this group better and longer. The main focus is on Germany as a representation for all other countries. As a starting point the challenges that arise from the changing labor market situation are exposed. The necessary change of mind-set regarding older people in organizations resulting from the aging workforce trend is discussed in the next part of the paper. Afterwards four selected activity fields, that influence the success of managing the aging workforce immensely, are elaborated together with proposals how to handle the different issues in the fields. In the following part of the paper a...
