Brand New Book ***** Print on Demand *****.At the core of personal in-sightful writing is a hungering for wholeness, for self, for meaning. The question of Who am I? reverberates quietly behind the reflections the author shares in this book. As does a willingness to share with her reader s her own quest for love, hope and peace. -Bonnie Best Author of Weave the Threads of Your Life. In every life there are defining moments when one s heart begins to open, when the realization of who one is begins to dawn. These moments may be small and subtle. But each can leave a person forever changed. The Daily Reflections are meant to offer an intimate glimpse into the musings of the author and encourage the reader to join her in discovering their authentic self hidden among the Daily demands of their life. Read a daily reflection and savor your own musings as it opens up a dialogue between author and reader to reflect, and enjoy. The carefully selected quotes from notable women make up the latter half of the book and are included to spark key memories of special moments and reminds us how very important it is to share with each other through a mixture of reflections and quotations about women s solidarity with each other.
