Using these easy to follow lesson plans you will enable your students to defend creation, and skillfully challenge evolution bullies anytime, anywhere. Teachers will find that these lesson plans include enough learning activities to engage k-6th grade students for up to 90 minutes - depending upon the class size and reading abilities. Lessons include a fun beginning activity, a Scripture Look Up portion, (designed to easily motivate students to use their Bibles) as well as an exciting game, or an activity or a science experiment with which to end each session. Suggestions for classroom management is sprinkled throughout, as well as a generous supplemental section that s included in the back. If you are seeking a new way to turn your children s church back to the Bible, then you will find this manual worth it s weight in...
