By S Maria Elliot

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Handbook of Health and Nursing: A Complete Home-Study Course Comprising Household Bacteriology; Personal Hygiene; Home Care of the Sick My dear Madam: In beginning our work in Household Bacteriology together I should like to make a few suggestions as to aims and methods of study. The aims to be reached in the study of any science are at least two - a knowledge of its underlying principles and as thorough an application of those principles as is possible. For the principles you will consult the lesson booklets. From them, too, you will get suggested applications, but the subject will not become a part of yourself until you recognize new applications many times a day. It is said that no person knows a foreign language until he can think in that language. In a similar way you will want to think these facts into your life and work. Suggestions for study have already been given to you. I hope that you may be able to try all of the experiments suggested; at least make a dust...
