Grosset & Dunlap, 1984. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: After receiving a fine arts degree from the University of California at Berkeley and completing two years of graduate work in design at the California College of Arts and Crafts in Oakland, Ruth Heller (1923-2004) began her career designing wrapping paper, cocktail napkins, greeting cards, and coloring books. After five years of rejection and one complete revision, Heller's first book, *Chickens Aren't the Only Ones*, about egg-laying animals, was published in 1981. She also wrote and illustrated the unique and fascinating book *Color*, a charming and instructive guide to how art goes through the four color printing process. Among the notable people who have had an influence on Heller's writing have been: Ogden Nash, Gilbert and Sullivan, Edward Lear, Hilaire Belloc, and Dr. Seuss. Heller says of her work, "All my books are..."
